A&I QUALITY BUTCHERS

# CHRISTMAS 2023

It's that time of year, and we are now taking orders for Christmas 2023! Christmas is always a busy time of year in the shop and we recommend making orders early this year to avoid disappointment.

The information in this booklet should provide all the information you need to know about how to order, where to collect, and how to arrange delivery.

We realize that everyone is struggling with increased costs of living and have held our prices from last year.

Our website and social media channels have all the latest offers and information.

# 2023 Christmas Info

Our opening hours for the Festive Season are show overleaf.

Our stuffings include: Sage & Onion, Pork & Apple, Sausagemeat and Oatmeal.

We also supply the essential chipolatas, kilted sausages and a range of gluten free goodies – making sure everyone is looked after!

To make ordering as easy as possible:

Please place your orders ahead of time, either in person at the shop or via our website. You can find a form at [www.aiqualitybutchers.com/christmas](http://www.aiqualitybutchers.com/christmas).

You can also order by phoning 01463 798303.

Pre-ordered packs can be paid at time of ordering either by card or bank transfer (A&I Quality Butchers, RBS, Account 00673164, Sort Code 83-23-10, with full name for a reference) and other orders at time of collection.

Orders that have been paid for can be picked up from our collection point in the butchery at Alltan Place – just down the hill from our Keppoch Road shop. Collection point will be open 22nd & 23rd December.

We can also arrange delivery on the 22nd December between 8am and 5pm **but we cannot give times** – if you are not at home please advise where the order can be left. We will only be able to deliver a limited number.

To make things easier – with Scottish weather in mind – we would recommend ordering ahead of time, and making use of the collection point on Alltan Place.

Remember you can buy ahead of time and freeze!
